

Thine is the Kingdom. . .

And the Power and Glory Forever...

Dayton Christian Fellowship

August 2-4

- † *Our vision for this meeting is to make a place where the Spirit can teach us more of God's heart for the church, his kingdom on earth and in our day. Also to sharpen our understanding of the Church as well as bring attention to practical living within it...*
- † *We also have a desire to have a teaching on the home. We feel that a Godly home is essential in the kingdom and is vital in the preparation of hearts and souls for a life and walk among God's people.*
- † *In the evenings we look forward to messages ministering to our hearts in a personal way, desiring to know God and his call above all else.*

We invite you to join us!
